

## New Year Message 2010

*Happy New Year to all of our supporters and friends! Our New Year Message highlights what we have done together in 2009 and the exciting year that we have to look forward to in 2010.*

Dear friends and supporters of The CHILD Trust,

We would like to take this opportunity to wish you all a happy New Year. May 2010 bring you only happiness, fulfilment and success in your endeavours.

Thanks to your support, the CHILD Trust is steadily making progress and 2010 will be an exciting time for us.

Some of the highlights of 2009 were:

- Partnership agreement with CHILD Ethiopia that will lead to starting the CHILD process in 7 new schools this year;
- Developing the CHILD Online website, including a facility to allow donors to see exactly what their money has been spent on. We will officially launch this in 2010;
- Raising the profile of The CHILD Trust, including receiving a fellowship to attend Opportunity Collaboration in Mexico and being shortlisted for the LSE Alumni D2Development Award.

Things to look forward to in 2010 are:

- See the results of CHILD in the 7 pilot schools and expand these;
- Investing in our organisational capacity to better serve the goal of promoting education;
- Launching our communications strategy to connect you to Ethiopia in new and exciting ways.

You can access information about these and other updates on our progress from the [CHILD Online website](#), including our [Trustees' Annual Report 2009](#).

We look forward to all we can achieve together in 2010.

Best wishes, The CHILD Team
